

Dear VCES Community,

My name is Tess Smalley and I'm the Box Tops for Education® Coordinator at Valley Catholic Elementary. I wanted to send out a letter to introduce myself and let you know about the Box Tops program at our school and how you can help.

Box Tops for Education is a national school earnings program that has been around since 1996. Since then, schools across the country have earned over half a billion dollars from Box Tops to buy whatever they need.

Box Tops for Education requires no extra expense or effort on your part. Simply buy the products you normally buy, but before you throw away the wrappers, look for the bright pink Box Tops logo and remove it. Save up the Box Tops and mail them in the attached envelope or give them to your Valley Catholic student to drop in our collection box. Each Box Top is then redeemed by our school for 10¢ each!

You can find Box Tops on hundreds of food and non-food items such as General Mills cereals, Progresso Soup, Avery Office Supplies, Ziploc products... lots of items that you probably use every day.

If you shop online, you can contribute to our Box Tops account that way too! Simply go to www.btfec.com, register Valley Catholic Elementary as your school, then click on Shop and Earn every time you shop online. You'll find over 300 retailers including Target, Macy's, ToysRUs, Harry & David, Omaha Steaks, Red Envelope... There are no extra fees for making your online order through this portal and a percentage of your purchase is added to our account.

The money we receive from Box Tops goes directly to items that help our classroom teachers and therefore, there's a quick and direct result for your Valley Catholic student.

Thanks so much for helping us with our program!

Tess Smalley
